Footwear

ALL SCHOOL: sports trainers must be plain and not to contain coloured stripes / segments or large logos. We prefer inconspicuous designs over obvious branding.

SENIOR SCHOOL: We are seeking a clear distinction between Formal Footwear and Sports Footwear. Both have a place at our school in the Senior Sector. However, they have different uses. Sports Trainers will not be considered as Formal Footwear. Therefore, students **should not** be wearing Sports Footwear with the Formal Uniform (Summer/Winter). Hybrid Dress Shoes / Dress Sneakers **will not** be considered as Formal Footwear.
