

San Andrea School

Founded in 1992, San Andrea School is an independent, co-educational, mixed ability school educating over 1100 students aged 2 to 16 years from Pre-Nursery to Grade 12. Considered one of the foremost schools in Malta, this school has been at the forefront of initiating future-oriented learning methodologies, promoting extracurricular programmes and ensuring the best quality teachers and staff. The School also emphasises on a balanced academic curriculum that also considers the students' well-being, individuality and selfconfidence.

Our mission statement, which is at the heart of all our operations, incorporates our key priorities and is designed to inspire our students and staff.

San Andrea aims to repurpose education to reflect a vision that contributes to well-being for all – individually and collectively. Students and staff are thriving, contributing to real world solutions, and embracing what it means to bring life to education and education to life. At San Andrea we recognise that learning is deeply influenced by what is learned, how it is learned, where and when it is learned, and ultimately why it is learned.
